

## **Extending the Lesson—Lesson 1**

- Make good citizenship part of the classroom curriculum every day in every subject.
- Incorporate school-wide citizenship activities into daily lessons and plan special classroom activities.
- Adapt citizenship experiences to the needs of all learners.
- Keep a class scrapbook of stories, events, news clippings, and pictures related to citizenship.
- Plan tours to city, county, or state offices and to the state capitol.
- Record sites in your community that display the American or Indiana flags. Make a graph or chart of the kinds of places that display the flags.
- Help students develop vocabulary skills by identifying and discussing words used in classroom activities or found in various materials read in the classroom.

Such words might include:
